

Book Release Ceremony

After liberalization, privatization and globalization, cyberspace is the driving force for the electronic commerce, banking, health care, education, transportation, entertainment, e-governance etc. But, the unprecedented growth of cyberspace as a part of human lives has become a new platform for potential cyber criminals to commit traditional crimes, in a non-traditional way and create new-age crimes such as cyberstalking, hacking, cyber obscenity, cyber prostitution, cyber fraud, cyber theft, cyber terrorism, cyber warfare, breach of confidentiality, unauthorized access to critical information infrastructures etc. It is needless to say that the Information Technology Law and other cyber laws have attracted the attention of a few lawyers, judges and academicians but the book titled 'New Legal Dimensions of Cybercrime' authored by Dr. G. P. Sahoo presents a coherent picture of cybercrimes and their legal regulations from national, international and global perspectives. Further, it is gratifying to note that this book was released in the presence of Hon'ble Mr. Justice Arun Tandon, Mr. Justice P.S. Bhagel, Mr. Justice Manoj Mishra, Mr. Justice A.R. Masoodi, Mr. Justice Suneet Kumar and Mr. Justice Ashwani Mishra from the Allahabad High Court, Allahabad on the occasion of the Legal Aid and Services Workshop, jointly organized by the U.P. State Legal Services Authority and the Faculty of Law, BHU.
