

Session Details

Date and Time	Venue	Session	Session Title	Resource Person and title of the Paper	Chairperson, Co-chairperson, Rapporteur
18.02.2010 (DAY 1)					
09.00-10.00	Department of Geography	Registration			
10.00- 12.00	Arts College Auditorium	Inaugural Session followed by Key Note address by Prof M.H. Qureshi			
12.00-12.15	Arts College Auditorium	Hi-Tea			
12.15-01.30	Arts College Auditorium	Plenary Session I	Discourses on Population development and Environment Prof K.N. Singh, Shekhar Mukherji & Prof H.S. Gupta	Presidium : Prof. H.N. Mishra and Prof. V.K. Kumra Rapporteur : Dr. Ravi S Singh	
01.30-02.30	Department of Geography	Lunch Break			
02.30-3.30	Arts College Auditorium	Technical Session I	Conceptualizing Population, Development and Environment: Global and Regional Perspective	Prof. Subodh Mahanty Population, Development and Science	Chairperson : Prof. Farasat Ali Siddiqui Co-chairperson : Dr. Sudeshna Bhattacharya Rapporteur : Dr. Srabani Sanyal
03.30-03.45		Tea Break			
03.45-05.00	Arts College Auditorium	Technical Session II	Geography Curriculum, Models , Applications and Techniques	Prof. Aalok Ranjan Chaurasia Data for development policy, planning and evaluation : Sources, nature and limitations	Chairperson : Prof. B.C. Vaidya Co-chairperson : Prof. Salahuddin Qureshi Rapporteur : Dr. S. Alam
05.15-06.15	Arts College Auditorium	Best Paper Presentation			
07.00-08.30	Arts College Auditorium	Cultural Programme			
08.30-09.30	Department of Geography	Dinner			
19.02.2010 (DAY 2)					
09.00-10.30	Prof R.L Singh Hall Department of Geography	Plenary Session II	Discourses on Population development and Environment Prof. Savindra Singh, Prof. F. Ram, Dr. S. Dutta, Prof. P. Nag	Presidium : Prof. B. Thakur and Prof. P.R. Sharma Rapporteur : Dr. B.K. Chaudhary	
10.30- 10.45		Tea Break			
10.45- 01.00	Prof R.L Singh Hall Department of Geography	Technical Session III	Demographic Scenario and Challenges	Prof. R.B. Bhagat Population and Development Relationship : The Context of Climate Change	Chairperson : Prof. Abdul Muneer Co-chairperson : Dr. Shrabanti Sen Rapporteur : Dr. Suman Singh
10.45- 01.00	Room No. 08 Department of Geography	Technical Session IV	Sanitation and Health	Dr. G.N. Srivastava Revised National Tuberculosis Programme (RNTCP) in Eastern UP : A Critical Evaluation	Chairperson : Prof. M.S.S. Rawat Co-chairperson : Dr. M.P. Singh Rapporteur : Dr. K.P. Goswami
01.00-02.00	Department of Geography	Lunch Break (Poster Session)			
02.00-03.30	Prof R.L Singh Hall Department of Geography	Technical Session V	Urbanization, Migration and Development	Prof. Rash Bihari Singh Urbanisation and Migration : Dimensions and Dynamics	Chairperson : Dr. Abha Laxmi Singh Co-chairperson : Dr. S.P. Singh Rapporteur : Dr. V.K. Tripathi
02.00-03.30	Room No. 08 Department of Geography	Technical Session VI	Resource Degradation and Environmental Pollution	Prof. Sudha Srivastava Declining biotic cover and strategies for conservation	Chairperson : Prof. Noor Mohammad Co-chairperson : Dr. Purnima Mishra Rapporteur : Mr. M.L. Meena
03.30-03.45		Tea Break			
03.45-05.15	Prof R.L Singh Hall Department of Geography	Technical Session VII	Development Disparities and Gender	Prof. P.K. Kara Dr. Emily Das Chauhan	Chairperson : Prof. Surendra Singh Co-chairperson : Prof. Usha Singh

					Rapporteur : Ms. D. Gownamani
03.45-05.15	P Room No. 08 Department of Geography	Technical Session VIII	M.D.G. with reference to Eastern U.P.	Dr. Rajesh Kumar Chauhan Progress of Poverty & Health Relative Goals of MDG : Spatial Reference to Eastern U.P.	Chairperson : Prof. R.N. Chatterjee Co-chairperson : Prof. V.K. Rai Rapporteur : Dr. Gayatri Rai
07.30-08.30	Department of Geography	Dinner			
20.02.2010 (DAY 3)					
09.30-11.00	Prof R.L Singh Hall Department of Geography	Technical Session IX	Policies and Programmes	Prof. S.R. Basu	Chairperson : Prof. S.H. Ansari Co-chairperson : Prof. Usha Verma Rapporteur : Dr. Seema Tiwari
09.30-11.00	Room No. 8 Department of Geography	Technical Session X	Biodiversity and Climate Change	Dr. Anil K. Roy Waste water management in metropolitan cities in India : Towards achieving the goals of industrial ecology	Chairperson : Prof. G.B. Singh Co-chairperson : Dr. Ranjan Basu Rapporteur : Sushmita Sen
11.00- 11.15		Tea Break			
11.15-01.00	Prof R.L Singh Hall Department of Geography	Technical Session XI	Human Response to Environment	Dr. Poonima Mishra Urban development and environmental challenges in Rajasthan	Chairperson : Prof. A.A. Ansari Co-chairperson : Dr. Jai Prakash Rapporteur : Mr. Ranjan Panda
11.15-01.00	Room No. 8 Department of Geography	Technical Session XII	Land Use Dynamics	Prof. K.N. Joshi Remote Sensing in natural resource management	Chairperson : Prof. S.N. Tripathi Co-chairperson : Dr. C.P. Singh Rapporteur : Mr. Albert Horo
01.00-02.00	Department of Geography	Lunch Break			
02.00-03.30	Prof R.L Singh Hall Department of Geography	Plenary Session III	Discourses on Population, Development and Environment Prof. J. Singh, Prof. R.B. Singh, Prof. A.C. Mohapatra, Prof. B. Hemamalini		Presidium : Prof. Ali Mohammad and Prof. S.B. Singh Rapporteur : Dr. Arun Kumar Singh
03.30-03.45		Tea Break			
03.45-05.00	Prof R.L Singh Hall Department of Geography	Valedictory Session			
05.00-05.30	Outside Prof R.L Singh Hall Department of Geography	Hi-Tea			

Details of Plenary Sessions

18.02.2010 12:15 - 01:30	Plenary Session I	Discourses on Population Development and Environment Prof. K.N. Singh : Population, Resource, Development, and Environment-Problematic! Prof. H.S. Gupta : Infant mortality in rural Chhattisgarh Prof. Shekhar Mukherji : Migration in India: Links to urbanization, regional disparities and development policies Presidium : Prof. H.N. Mishra and Prof. V.K. Kumra, Rapporteur : Dr. Ravi S Singh
19.02.2010 09:00 - 10:30	Plenary Session II	Discourses on Population Development and Environment Prof. Savindra Singh : Global Warming and Climate Change Prof. F. Ram Dr. S. Dutta : Climate Change Prof. P. Nag Presidium : Prof. B. Thakur and Prof. P.R. Sharma, Rapporteur : Dr. B.K. Chaudhary
20.02.2010 02:00 - 03:30	Plenary Session III	Discourses on Population Development and Environment Prof. J. Singh : Optimum Population in Context of Sustainable Development Prof. R.B. Singh : Development in Eastern U.P. : Challenges and Opportunities Prof. A.C. Mohapatra : Effect of kitchen environment on the health of women and children in Karsara Nyay Panchayat, Varanasi Prof. B. Hemamalini : Climate: Past, present and future Prof. D.N. Singh : Population growth and sustainable development Presidium : Prof. Ali Mohammad and Prof. S.B. Singh, Rapporteur : Dr. Arun Kumar Singh

Technical Sessions with Papers and Resource Persons

TS-I (18 Feb 2010; 02.30pm-3.30pm)

Chairperson : Prof. F.A. Siddiqui
Resource Person : Prof. Subodh Mahanty

Co-chairperson : Dr. Sudeshana Bhattacharya
Rapporteur : Dr. S. Sanyal

S. No.	Name of the Author	Title
1.	Abhiraj Kumar, Amit and Amit Kumar	Population, Development & Environment: Issues and Challenges
2.	Nazmul Hussain and Menka	Dimensions of poverty and its determinants : A case study of Malda district of West Bengal (India)
3.	P.N. Sankaran	Rural-urban development partnerships : Reflections on innovative public, private and NGO interventions
4.	Ratnawali	Industrial growth and deprivation : A paradox of developmental strategy
5.	Ravi S. Singh	Population, Environment and Development : Revisiting the Limits to Growth Debate
6.	A.P. Pandey and Surendra Kumar Gupta	Linkage among climate change, health and development
7.	Rashbihari Prasad Singh and Usha Verma	Managing food security in Bihar through cultural practices
8.	M.S.S. Rawat and Rakhi Bisht	Population dynamics and environment in Uttarakhand
9.	Bashabi Gupta	Power and knowledge: Environmental resources and marginalisation process

TS-II (18 Feb 2010; 03.45pm-05.00pm)

Chairperson : Prof. B.C. Vaidya
Resource Person : Prof. A.R. Chaurasia

Co-chairperson : Prof. Salahuddin Qureshi
Rapporteur : Dr. S. Alam

1.	Albert Horo	Environmental aspects in curriculum of geography in schools
2.	Rajendra Parihar	Population, development and environment in geography curriculum
3.	Anand Prasad Mishra	Identification of colonial routes in geography curriculum
4.	Avnish Varshney and Manoj K Arora	Land use land cover change detection using improved change vector analysis
5.	Chandra Shekhar Kumar	Cartosat-I satellite imagery based vulnerability analysis, risk zone mapping and spatial data management in Varanasi metropolitan city
6.	Choudhary Karan and Arora, Manoj K	Population estimation from Remote Sensing Data
7.	Md. Surabuddin Mondal, Nayan Sharma, Oinam Bakimchandra and Georg Janauer	Wetland Dynamics Assessment in the Deepor Beel of Brahmaputra Basin using Geoinformatic Techniques
8.	Shahab Fazal and Arshad Amin	Urban landuse management using Remote Sensing and GIS
9.	D.K. Tripathi	Conservation of wetland ecosystems using Remote Sensing and GIS techniques : A case study
10.	Sunita Singh and Praveen Kumar Rai	Use of Remote Sensing Techniques in land suitability analysis for irrigational development in Mohanrao watershed, Uttarakhand
11.	Rajeev Sonkar, Ranjeet Sen Gupta, Ranjeeta Banerjee and Navin kumar Tripathi	Approach to landuse analysis for Aspur Deosara block in parts of Jaunpur branch sub basin based on LISS III satellite data
12.	Nishikant Kumar Upadhyay	Spatio-temporal assessment of environmental status and anthropogenic pressure on Palamau National Park, Jharkhand, through Remote Sensing and GIS
13.	Narayan Chopra	Remote Sensing data in assessing environmental sensitivity : A case study of a part of Sonbhadra district south of river Son

TS-III (19th Feb. 2010; 10.45am - 01.00pm)

Chairperson : Prof. Abdul Muneer
Resource Person : Prof. R.B. Bhagat

Co-chairperson : Dr. Shrabanti Sen
Rapporteur : Dr. Suman Singh

1.	Anuradha Mondal	The changing impact of proximate determinants of fertility on the family planning behaviour in Uttar Pradesh : Evidence from national health and family survey
2.	Awol Akmel, B. Hema Malini and K. Nageswara Rao	Population growth and distribution in Addis Ababa city, Ethiopia
3.	Bhaswati Das	Changing age-sex composition in India : Regional issues
4.	Mukesh Verma	Population dynamics in the semi arid region of Rajasthan: A case study of Sikar district
5.	R.S. Meena	India's economic development and population growth
6.	Nawaz Ahmed and Nazmul Hussain	Dimension of educational development and socio-economic determinants : A case study of Malda district of West Bengal
7.	S.D. Maurya	Dynamics of the religious character of population in India
8.	Sarika Shukla	Dynamics of demographic scenario and it's challenges
9.	Savita Chauniyal and D.D. Chauniyal	Demographical changes and economic development in the Bino watershed (Uttarakhand Himalaya)
10.	Shweta Zala	Jarawas : One of the most pristine tribe of India- on the verge of Extinction
11.	S. V. Siddhardha Kumar D	Population dividend and consequences in India
12.	Sohidul Hoque and Nazmul Hussain	Regional pattern of scheduled caste work force in agricultural sector in West Bengal
13.	Punit Kumar Mishra and Neema Gupta	Determinants of adolescent fertility
14.	Shrabanti Sen and Lalitendu Jagatdeb	Family planning and fertility regulation : Emerging patterns and issues in India
15.	संजय कुमार	बिहार में जनसंख्या वृद्धि एवं आर्थिक विकास एक चुनौती
16.	Kanchan Singh	Situational analysis of institutional and safe deliveries: A study of Deoria district (U.P.)

TS-IV (19th Feb. 2010; 10.45am - 01.00pm)

Chairperson : Prof. M.S.S. Rawat
Resource Person : Dr. G.N. Srivastava

Co-chairperson : Dr. M.P. Singh
Rapporteur : Dr. K.P. Goswami

1.	B. Hema Malini and B. Visweswara Reddy	Filaria - A menace in pedapenki village of Vizianagaram district, Andhra Pradesh, India
2.	Dipendra Nath Das and Bhaswati Das	Disparity in availability of drinking water facilities in Delhi
3.	Aparajita Chattopadhyay and Srinivas Goli	Living environment and health conditions of selected cities in India : Prioritizing key issues for national urban health mission
4.	Ashok Kumar and Ravendra K. Sharma	Household environment and its effect on women's health in Uttar Pradesh
5.	G.N. Srivastava, Saket Sharma, S.D. Chaube and Manisha Singh	Pulmonary Tuberculosis & it's co-infection with HIV in eastern U.P., the impact of migratory population
6.	Punam Mishra and Alka Gaur	Appraisal and use of water resources of Unnao district, U.P. : A spatial analysis
7.	S. Hasan Ansari and Pinki Yadav	Drinking Water Supply in Narnaul town : A Geographical approach

8.	Supriya Srivastava and Kanchan Gupta	Impact of water pollution on human health in Kanpur city
9.	Ghuncha Firdaus	The role of household environment on resident's health : A cross-sectional study of urban centre in India
10.	Mausumi Gogoi	Primary health care : Current health challenges in rural India
11.	Neeraj Arora, Neeraj Kumar and Sunil Singh	Yamuna pollution removal plan
12.	K. Kumaraswamy	Development and management of water resources in Tamil Nadu with special reference to Cauvery basin
13.	Raj Narayan	Urban-Rural differentials in knowledge, awareness and perception about HIV/AIDS among men in high and low prevalence states
14.	S C Tyagi, Gunjan Sharma, Priyanaka Tyagi	Infra-structure of health in rural area - A case study of block Machra in district Meerut (U.P.)
15.	Salahuddin Mohd.	Waste picking as a means of livelihood and its health impacts – A case study of Aligarh city
16.	Srinivas Goli, Prasanth K Singh and Perianayagam Arokiasamy	Socio-economic determinants of demographic and health inequalities in urban India: Evidences from NFHS-3
17.	Vipul Vaibhav Pandey and S.K. Singh	Impact of demographic and household environmental factors on water born morbidities among children in India
18.	G N Srivastava, Saket Sharma, Satyadev Choubey	Demographic characteristics of patients with Tuberculous empyema
19.	Anuradha Sahay	Problems of drinking water and sanitation in Patna
20.	Archisman Mohapatra , Subhra Roy and S.C. Mohapaira	Effect of kitchen environment on the health of women and children in Karsara Nyay Panchayat, Varanasi
21.	Pallavi Pathak and Manoj Pathak	Status of maternal health in Uttar Pradesh
22.	Bikramaditya K Choudhary	Does population matter : A health geography perspective
23.	B.L. Nagda	Socio-culture issues of health seeking behaviour and expenditure on health in tribes of Rajasthan
24.	राधेश्याम मीणा और शंकर लाल मीणा	जल, स्वच्छता एवं स्वास्थ्य : समस्याएं-समाधान

TS-V (19th Feb. 2010; 02.00pm - 03.30pm)

Chairperson : Prof. Abha Laxmi Singh
Resource Person : Prof. Rash Bihari Pd. Singh

Co-chairperson : Dr. S.P. Singh
Rapporteur : Dr. V.K. Tripathi

1.	Durgesh Kumar Singh and Kaushalendra Prakash Goswami	Geography of family migration and its outcome: A case study of Deoria district
2.	Amit Chatterjee	Changing Paradigm - Metropolitan city to metropolitan region: Case study of Mumbai metropolitan region
3.	Archana K Roy, Neelam Tripathi, Upendra Nath Roy and Rashmi Kant	Comparative effects of rural-urban migration from hills and plains to metro cities on the local environment and biodiversity
4.	Chandrakanta Verma	In-migration to mega cities of India : A study of its trend and pattern
5.	Debasmita Biswas	Urbanisation and urban sprawl : A changing perspective of city region
6.	Alpana Trivedi	Urbanisation, Population Growth and Environment in M.P.
7.	Jabir Hasan Khan, Tarique Hassan and Shamshad	Socio-economic causes of rural to urban migration in India
8.	Mun Mun Nandy and Ashis Sarkar	An assessment and analysis of urban primacy in India and it's impact on regional development
9.	Samir Debbarma	Tribal migration from rural to urban in west Tripura : Causes and consequences
10.	Sibabrata Das	Spatial dimensions of urbanisation and development in a least urbanised state of India: Orissa
11.	Y. Balakrishna	Functional diversification of towns of Andhra Pradesh
12.	Namita Chakma and Biswajit Ghosh	Evolution of Burdwan town and present scenario: A study In Urban

13.	Sweta Bhusan	Governmental receipts and grants and their impact on the expansion of urban amenities- A case study of the class I towns of West Bengal (2001)
14.	Jyotsna Pandey	Role of small urban center's of Kushinagar district in urbanization
15.	अभय कुमार राकेश	पटना नगर में जनसंख्या वृद्धि की प्रवृत्ति (1941-2001)

TS-VI (19th Feb. 2010; 02.00pm - 03.30pm)

Chairperson : Prof. Noor Mohammad
Resource Person : Prof. Sudha Srivastava

Co-chairperson : Dr. Purnima Mishra
Rapporteur : Mr. M.L. Meena

1.	Anamika Singh	Population explosion and environmental Damage
2.	Bhomik Shah	Marble mining and processing in southern Rajasthan : An assessment of the change in micro-climatic condition and its impact on the community
3.	Bijaya Bhattacharya and Nibedita Das	Bank erosion and its impact on environment at Manu-Deo River Valley, Fatikroy, Tripura
4.	Anita Srivastava	Impact of demographic change and future carbon emissions in India and China
5.	Falguni Gupta	Status of ambient air quality in and around Durgapur - An industrial belt
6.	Madhumanjari Chakravorty	Tourism and Eco-environmental degradation in Darjeeling Town
7.	Nibedita Das and Mugdha Chakraborty	Environmental problems related to flood : A case study in the river Haora, Tripura, North East India
8.	Pawan Kumar Shukla, Vishal Gupta and A.A. Ansari	Degradation of physio-ecological resources in an undulating terrain : A case study of Eastern part of Vadodara district in Gujarat
9.	R. P. Singh, S. K. S. Chandel, P. K. Yadav and S. N. Singh	Soil degradation : Indian scenario
10.	Sarfaraz Alam	Environmental crisis and human marginalization : A case study of Bangladesh
11.	Namita Gupta	Population growth and environmental degradation in India
12.	Shubhra Saha	Environmental degradation in Rishikesh area (The Upper Ganga Basin), Uttarakhand
13.	नरेन्द्र कुमार मीना	पर्यावरण संरक्षण में भारतीय सांस्कृतिक चिन्तन की प्रासंगिकता
14.	उषा सिंह	जनसंख्या वृद्धि एवं पर्यावरण अवनयन : बिहार राज्य के परिप्रक्ष्य में
15.	रोहित कुमार	पटना नगर में नगरीकरण से उत्पन्न पर्यावरणीय समस्याएँ

TS-VII (19th Feb. 2010; 03.45pm - 05.15pm)

Chairperson : Prof. Surendra Singh
Resource Person : Prof. P.K. Kara/Dr. Emily Das Chauhan

Co-chairperson : Prof. Usha Singh
Rapporteur : Ms. D. Gownamani

1.	Ranjana Bajpai	Development induced displacement: A case study of Orissa
2.	F.A. Siddiqui and Nazmul Hussain	Analysis of micro level Socio-economic disparities in Malda district, West Bengal
3.	Jyotirmayee Acharya	Irrigation management and inclusive growth: AKRSP (India)'s intervention in Tribal Gujarat
4.	Mahvish Anjum	Spatial and temporal distribution of cottage industries in Ambedkar Nagar
5.	Md. Julfikar Ali and Deepika Varshney	Factors and dimension of inter-ward socio-economic disparities in class i city of developing economy (India)
6.	Jyoti Prakash Sharma	Disparities in level of poverty in Mohania block, district Kaimur, Bihar
7.	Muraree Lal Meena, Narender Verma and Banwaree Lal Meena	The Problem of the people's displacement at Sariska Tiger Project

8.	Rajesh Bag	Development induced displacement and rehabilitation : A study of mining project in Orissa
9.	Shri Krishna Singh and Shiv Shankar Mishra	Globalisation induced migration of labour and their exploitation
10.	Aparajita Chattopadhyay and Nidhi Jain	Women's autonomy and son preference: Evidence from three states in India
11.	Arpita Das and Aparajita Chattopadhyay	Gender differentials and women's status in West Bengal and Bangladesh : How far space and religion matter?
12.	Jayashri Roy	Temporal variation in the rate of wages of women workers : A case study of Asansol coal mining industrial area
13.	Mamta	Family formation and women's empowerment in India, with special reference to Uttar Pradesh
14.	Neelam Saraswat and Mithlesh Gupta	Relationship between women-work participation and education in Rajasthan
15.	Saleha Jamal	Indoor air pollution : Type of cooking fuel used and its impact on the health of women in Aligarh city
16.	श्रीप्रकाश सिंह	लैंगिक चेतना : एक सामाजिक अवधारणा
17.	प्रतिभा कुमारी	सन्त रविदास नगर (भदोही) में लिंगानुपात—एक भौगोलिक विश्लेषण
18.	Hemant Patidar	Occupational structure of tribal population in South-East Rajasthan: A Geographical analysis

TS-VIII (19th Feb. 2010; 03.45pm - 05.15pm)

Chairperson : Prof. R.N. Chatterjee
Resource Person : Dr. Rajesh Kumar Chauhan

Co-chairperson : Prof. V.K. Rai
Rapporteur : Dr. (Mrs.) G. Rai

1.	Monorisha Mukhopadhyay	Analysis for demand of children in Uttar Pradesh in light of present socio-economic status of the state : An empirical study from NFHS-III
2.	Ranjan Kumar Panda and Ram Kumar Parker	Millennium Development Goals : Maternal & child health in Uttar Pradesh
3.	Nabanita Majumder	Achieving the Millennium Development Goals : Role of integrated child development services to improve child health in India
4.	Pramod Kumar Gupta	Level and trends of immunization in Eastern U.P.
5.	Sunita Choubey	Millennium Development Goals : Challenges and achievements with special reference to Eastern Uttar Pradesh: Analysis based on DLHS II and III
6.	A.K. Shukla	Impact of road infrastructure development : A case study of NH 28
7.	K. K. Singh and Brijesh P. Singh	High risk sexual behavior following alcohol consumption in eastern Uttar Pradesh
8.	Pavitra Ravindra Alur and Jayavardhan T.	Mellenium Developmental Goal: Eradication of poverty
9.	अंजना सिंह	गरीबी उन्मूलन में ग्रामीण महिलाओं की भूमिका : पूर्वी उत्तर प्रदेश के सन्दर्भ में
10.	Vimalesh Kumar Singh	Utilization of boosters related to safe childhood among the rural population: A case study of Sonbhadra district (U.P.)

TS-IX (20th Feb. 2010; 09.30am-11.00am)

Chairperson : Prof. S.H. Ansari
Resource Person : Prof. S.R. Basu

Co-chairperson : Prof. Usha Verma
Rapporteur : Dr. Seema Tiwari

1.	Arun Kumar Singh	Population policy and human rights: Indian context
2.	Bhai Shelly and Manoj Kumar Choudhary	Area specific behaviour change communication interventions under NRHM in Madhya Pradesh: Application of communication needs analysis/barrier analysis
3.	Ghazanferullah	Micro regional planning of educational facilities in Bulandshahar district
4.	Jaya Shrivastava	The booming dynamics of ageing in India: From awareness to affirmative action
5.	Jay Prakash, B.S. Singh and Pragya Tiwari	Health services designed to cater poor households- Does the model work to bring down inequality? – Analysis of a PPP model in Agra
6.	R. Mutharayappa	Functioning of Janani Suraksha Yojana (JSY) in Hassan district of Karnataka
7.	Nawal Prasad Singh	Ground water and its management policy in metropolitan Delhi
8.	Peter Prasanta Debbarma	A geographical explanation of social exclusion and inclusive policy in relation to religious minorities of Tripura
9.	Sanjay Pandey and K. N. Singh	Management of Primary Health Centers through Public Private Partnership (PPP) initiatives in Ganjam district of Orissa-An effectiveness study
10.	Sushmita Sen	Policy and legislation imperatives for wetland wise use and management – Lessons from West Bengal
11.	Barkha Srivastava	Spatial analysis of the implementation of “Education for All” programme in Uttar Pradesh
12.	P.K. Tiwari & V.N. Sharma	A Review of Rural Development and Poverty Amelioration Programmes in Niyamatabad Block, Chandauli (UP)
13.	R P Sharma, Arun, Cheshta and Pankaj	Population education developmental interface–Geographical Retrospection

TS-X (20th Feb. 2010; 09.30am-11.00am)

Chairperson : Prof. G.B. Singh
Resource Person : Dr. Anil K. Roy

Co-chairperson : Dr. Ranjan Basu
Rapporteur : Dr. Sushmita Sen

1.	Biswaranjan Mistri	Tiger straying in Indian Sundarbans: A case study on loss of biodiversity
2.	Ranjana Srivastava	Loss of Bio-diversity
3.	Kh. Moirangleima	Loss of wetland Biodiversity in Manipur
4.	M. P. Singh and D.K. Shahi	Conservation of plant genetic resources for sustainable development of Agro-economy of Uttarakhand Himalayas
5.	Pratibha Singh and Kshama Tripathi	Loss of biodiversity in India
6.	Rajani Srivastava	Diversity of weed species and soil seed bank in Indian dryland and irrigated agroecosystem
7.	नवकंज कुमार	जैव-विविधता संरक्षण
8.	Anuja Tigga and B. Hema Malini	Long-term temperature variations over Ranchi city, Jharkhand, India
9.	Chandrabhan Prajapati	Green house gases : The main culprits behind global warming
10.	M.S.S. Rawat and M.P. Singh	Climate change and variability in Dehradun city (Uttarakhand)
11.	Mohammad Awais and Naheen Haider Zaidi	Climate change and its impact on agriculture
12.	Ranjan Kumar	Global Warming : A serious threat to civilization
13.	Suman Lata and Hifzur Rehman	Global Climate Change: Risks and vulnerability to Indian agriculture
14.	Suraj Kumar Singh, Md rahimullah	Global warming and climate change
15.	Taiyyaba Yazdani, Mohd Muzamil Bhat, Kamini Narain and Mohammad Yunus	The impact of global climate change on environment

16.	Shashi Bala Singh	Climate change sustainable development and environmental pollution management in the third world
17.	Veena Singh	Global warming : effects and challenges
18.	Seema Tiwari and Vinayak Chandra Tiwari	Climate change and its impact on insurance Industry
19.	Narender Verma	Climatic change, glacial recession in Himalayas and its impact on Indian economy
20.	Ajay Kumar, Bijay Kumar Das, Fulena Rajak and Rajneesh Kumar	Climate change and sustainable development : Issues and challenges in India
21.	Shaista Ahmad	Climate change : Impact and efforts in India
22.	प्रतिभा कुमारी	भूमण्डलीय तापवृद्धि और जलवायु परिवर्तन

TS-XI (20th Feb. 2010; 11.15am-01.00pm)

Chairperson : Prof. A.A. Ansari
Resource Person : Dr. Purnima Mishra

Co-chairperson : Dr. Jay Prakash
Rapporteur : Mr. Ranjan Panda

1.	D.D. Vishwakarma	Inter and Intra - Community variation in agricultural land use in Chhindwara district, M.P.
2.	Dinesh Kumar	Conservation and management of Himalayan wetland ecosystem
3.	Kaneez Zaman	Environmental effects on changes land use pattern in Ganga - Yamuna doab
4.	Prakash C. Tiwari	Changing monsoon pattern and its impact on water resources in Himalaya : responses & adaptation
5.	Janki Prasad, Rupesh Kapale and R.S.Yadava	Environment perception and management of Baiga tribe: a case study
6.	Dipti Mukherji	Impact of Urbanization on an Estuarine Environment-A study of Ulhas Estuary, near Mumbai
7.	R.P.Sharma, Tarsem Lal and Kuber Singh	Population pressure -Rural resource transformation : A case study – Pargwal valley (Akhnur) Jammu
8.	Mohammad Aatish Khan and Sunpreet Kaur	The best practice approach to rural household solid waste management through benchmarking
9.	Anil Kumar Roy and Subhrangsu Goswami	Waste water management in metropolitan cities in India
10.	P.K. Kara and Ranjan Kumar Mallick	GIS based mapping and ensuring food security in Bongamunda (Bolangir) and Kotgarh (Khandhamal) districts in Orissa, India
11.	संगीता सचान	अग्निहोत्र कृषि एवं पर्यावरण
12.	श्रीप्रकाश सिंह, विजय कुमार सिंह एवं सी0पी0 सिंह	ढाल एवं कृषित भूमि में सहसम्बन्ध : एक प्रतीक अध्ययन

TS-XII (20th Feb. 2010; 11.15am-01.00pm)

Chairperson : Prof. S.N. Tripathi
Resource Person : Prof. K.N. Joshi

Co-chairperson : Dr. C.P. Singh
Rapporteur : Mr. Albert Horo

1.	Dolly Chaudhary, Pawan Kumar Shukla, Vishal Gupta & A.A. Ansari	Changing urban land use pattern and growth of Vadodara city: A study in geographical context
2.	Jabir Hasan Khan, Shamshad and Tarique Hassan	A regional analysis of rural housing and modern household amenities and assets in India
3.	Kashif Imdad and Janki Prasad	Effects of master plan 2021 in the metropolitan fringe of Lucknow : a study on landform transformation
