

WORKSHOP ON EXPLORING SOME APPLICATIONS OF MATHEMATICAL SCIENCES

January 19-20, 2019

Organized by

Department of Mathematics
Institute of Science
Banaras Hindu University
Varanasi- 221 005
www.bhu.ac.in/science/mathematics

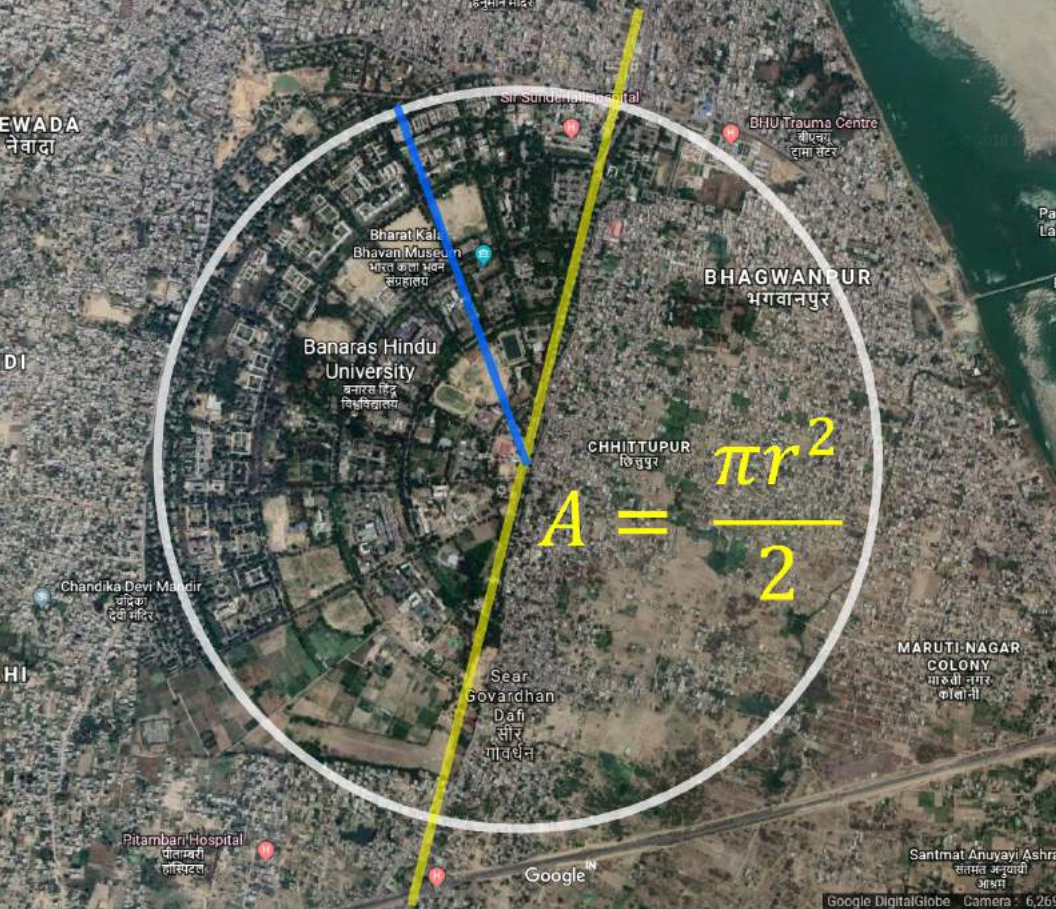

Advisory Committee

Prof. Rakesh Bhatnagar, Honourable Vice-Chancellor, BHU
Prof. Malikarjun Joshi, Dean and Director, Institute of Science, BHU
Prof. N. Kumar (Retired), Dept. of Mathematics, BHU
Prof. I.S. Shivakumara, Dept. of Mathematics, Bangalore University
Prof. P.K. Mondal, Dept. of Mathematics, Visva-Bharati
Prof. G.C. Layek, Dept. of Mathematics, The University of Burdwan
Prof. S. Roy, Dept. of Mathematics, IIT Madras
Prof. P. Chandra (Retired), Dept. of Mathematics & Statistics, IIT Kanpur
Prof. O.P. Misra, School of Mathematics and Allied Sciences, Jiwaji University
Prof. L.P. Singh, Dept. of Mathematical Science, IIT BHU
Prof. S.K. Basu (Retired), Dept. of Computer Science, BHU
Prof. K.K. Singh, Dept. of Statistics, BHU
Prof. B.K. Singh, Dept. of Physics, BHU
Prof. V.K. Kumra, Dept. of Geography, BHU

Organizing Committee

Dr. A.K. Singh, Professor and Head
- Chairman
Dr. Shyam Lal, Professor
Dr. Mukut Mani Tripathi, Professor
Dr. Harish Chandra, Professor
Dr. Arvind Kumar Mishra, Professor
Dr. D.R. Sahu, Professor
Dr. S.K. Mishra, Professor
Dr. S. Bhattacharya, Associate Professor
Dr. A.M. Tripathi, Associate Professor
Dr. Arvind K. Singh, Assistant Professor
Dr. Akhilesh Yadav, Assistant Professor
Dr. K. Bhattacharyya, Assistant Professor
- Convener
Dr. Ashish Pathak, Assistant Professor
Dr. A. Priyadarshi, Assistant Professor
Dr. Buddhadev Pal, Assistant Professor
Dr. K.L. Mahato, Assistant Professor
Dr. Arun Kumar, Assistant Professor
Dr. R.P. Gupta, Assistant Professor
Dr. Shibsankar Das, Assistant Professor
Dr. Jitendra Singh, Assistant Professor
Dr. Vivek Laha, Assistant Professor

OBJECTIVES AND FOCUS AREAS

The workshop is proposed to encourage M.Sc. students and fresh Ph.D. fellows towards quality research and to provide an atmosphere where they may choose suitable areas for future works with mathematical applications. In this programme, applications of many basic areas of mathematics, like, analysis, algebra, topology, differential geometry, graph theory, optimization, differential equations, etc. in solving physical, statistical, biological, computational, engineering, medical and many other real world problems will be discussed specifying proper examples.

ELIGIBILITY

Students doing M.Sc. (in Mathematics, Statistics, Physics, Computer Science, etc.) and candidates completed M.Sc. are eligible for the workshop. Also, a candidate admitted in Ph.D. (1st Year) can apply.

REGISTRATION DETAILS

To attend the workshop online registration form must be submitted within 05/01/2019. All selected candidates will be notified via email by 07/01/2019. Selected candidates need to pay following mandatory non-refundable registration fee in cash to the Convener within 12/01/2019:

For M.Sc. Student (completed/pursuing) = Rs. 300/-
For Ph.D. Fellow = Rs. 500/-

To fill the online form please [click here](#).

ACCOMMODATION

Due to various types of events in BHU at that time, in campus accommodations for all outstation participants are not possible.

VARANASI CITY AND ITS WEATHER

City of temples, Varanasi is one of the oldest inhabited cities in the World and it is located in the central region of the valley of holy river "Ganga" in North India. The temperature of Varanasi during mid-January will be in the range 7°C-22°C.
