

**Draft for Advertisement of Research Associate (RA) on BHU website**

Applications are invited for the post of one RA @ Rs.36000 + 20% HRA (pre-revised) in a CSIR sponsored project (P-25/359) entitled "***Regulated platelet activation and its therapeutic implications***" sanctioned for three years. The post is purely temporary and coterminous with the project. Candidate should have submitted Ph.D thesis or awarded Ph.D degree in Biochemistry/Life Science with NET/GATE qualification and must have at least one research publication in standard refereed journal as listed in Journal Citation Reports (JCR). Candidates with research experience in the area of platelet signaling and nanotechnology along with relevant publication in reputed peer reviewed international journal will be preferred. Upper age limit is 35 years (5 years age relaxation for SC/ST/OBC/Female candidates). All things being equal, SC/ST candidate will be preferred as per GOI rules. Application on plain paper along with biodata and qualifications supported by attested documents should reach to **Principal Investigator, Department of Biochemistry, Institute of Medical Sciences, Banaras Hindu University, Varanasi-221005, India**, within 21 days of this advertisement. No TA/DA will be paid if called for interview.
