Hands on Training Program on 'MATLAB'

Notice

DST- Centre for Interdisciplinary Mathematical Sciences (CIMS) is organizing a training programme on "MATLAB" for Research Scholars, during Oct. 14-20, 2013. The training will be held in DST-CIMS from 3.00 p.m. to 5.00 p.m. Interested research scholars are requested to download the Application Form from BHU website and fill it.

Filled applications, duly forwarded by their supervisor/Head of the Dept., should reach to the office of the Coordinator, DST- Centre for Interdisciplinary Mathematical Sciences, BHU, Varanasi on or before Oct. 05, 2013.

Desirable Qualifications: Basic knowledge of computer along with good keyboard speed.

Selected candidates will be informed through email and also the list of selected candidates will be displayed on the notice board of the DST-CIMS on Oct. 10, 2013.

A nominal fee of Rs. 500/- will be charged from each selected candidate. The Study Material will be provided to each selected candidate.

Following Topics covered in this training program:

- Basic concept and operation in MATLAB.
- Mathematical calculation of the matrix in MATLAB.
- Looping in MATLAB.
- Some Numerical Technique in MATLAB.
- Graph Plotting in MATLAB (2D and 3D).
- Laplace and Fourier Transformation.
- Mean, Median, Mode, Standard Deviation, Variance, Gamma function.

(Umesh Singh)
Coordinator,
DST-CIMS, BHU
