## ABOUT VARANASI

Kashi, also known as Varanasi or Benares, is one of the world's oldest living cities and a sacred Hindu pilgrimage site believed to grant moksha to those who die there.

Situated between the rivers Varuna and Asi, it symbolizes religious harmony with temples of both Lord Shiva and Vishnu. Renowned as a centre of knowledge and spirituality, it is home to the Theosophical Society and Banaras Hindu University, founded by Pandit Madan Mohan Malviya. Closely linked with Ayurveda and Maharshi Patanjali, Varanasi is also the cradle of ancient surgical sciences.

Culturally rich, it has given India literary icons like Tulsidas and Premchand, and music legends like Pandit Ravi Shankar and Ustad Bismillah Khan, rightly earning the title "Cultural Capital of India."

## ABOUT THE INSTITUTION

Banaras Hindu University is an internationally reputed temple of learning, situated in the holy city of Varanasi. This creative and innovative university was founded by the great nationalist leader, Pandit Madan Mohan Malaviya, in 1916, through close cooperation with great personalities like Dr Annie Besant, who viewed it as the University of India. Banaras Hindu University was established by the Parliamentary legislation-B.H.U. Act 1915.
