Sub.: Application to upload Workshop brochure at BHU website

Dear Sir,

We are organizing a National Workshop on Cell and Molecular Biology Techniques (**CMBT-2024**) from **30 January - 03 February 2024**. We therefore request you to upload the attached workshop brochure at BHU website. An early action will be highly appreciated.
Thank you.

Your's sincerely,

(Surendra K. Gond)

(Convenor CMBT-2024)

National Workshop

on

Cell and Molecular Biology Techniques (CMBT-2024)

30 January - 03 February 2024

Organized by

Department of Botany, Mahila Mahavidyalaya
Banaras Hindu University, Varanasi-221005

An overview

About the Institution

Banaras Hindu University is an internationally acclaimed educational institution located in Varanasi, one of the most ancient city and cultural capital of the world. The university was established by Bharat Ratna Mahamana Pandit Madan Mohan Malaviya in the year 1916. It has world class infrastructure for science and technology to empower the teaching and research activities.

Mahila Mahavidyalaya (MMV)

This institution was established in the year 1929 with the vision to promote women's education and empowerment. MMV acts as an excellent platform for higher education and research. The institution provides better opportunities for inter-disciplinary research due to the presence of different disciplines of science. The frontier area of research in life science at MMV include plant tissue culture, host-microbe interactions, stress physiology, plant natural products, plant developmental genetics, effect of climatic change on crops, hormonal control of reproduction, genetics of diabetes and cancer, animal mycology, immunobiology of respiratory diseases, fish endocrinology and Bioinformatics with interdisciplinary approaches.

Organizing committee

Chief Patron

Prof. Sudhir K. Jain, Hon'ble VC, Banaras Hindu University

Patron

Prof. Rita Singh, Principal, MMV

Chairperson

Prof. K. N. Tiwari, Botany

Convenors

Dr. Surendra Kumar Gond

Dr. Vinod Kumar Kannaujiya

Co-Convenor

Dr. Ganesh Kumar Maurya, Zoology

Organizing Secretaries

Dr. Subhashini, Zoology

Dr. Anima Tripathi, Zoology

Joint Organizing Secretaries

Dr. Shachi Singh

Dr. Aparna Singh

Treasurer

Dr. Krishna Kumar Choudhary

Joint Organising committee

Prof. Nishi Kumari

Prof. Neelam Atri

Prof. Richa Raghuvanshi

Advisory Committee

Head, Department of Botany, ISc, BHU

In-charge, CIL, MMV

In-charge, Zoology Section, MMV

In-charge, Physics Section, MMV

In-charge, Chemistry Section, MMV

In-charge, Computer Sci. Section, MMV

In-charge, Statistics Section, MMV

Overview of the workshop

The aim of the workshop is to develop scientific curiosity for better understanding of different tools and techniques used in life science research. This workshop will provide exposure about culture techniques of animal cells, plant tissues and microbial cells, fluorescence microscopy, gel electrophoresis and western blotting. Along with hands on training, there will be lectures of experts of repute.

Highlights of the workshop

The workshop will impart training (hands on/demonstration) in the following cell and molecular biology techniques:

1. Handling and culturing of animal cells.
2. Handling and culturing of plant tissues.
3. Handling and culturing of bacterial cells.
4. Fluorescence staining techniques of cells.
5. Protein extraction, separation and analysis by SDS PAGE and western blotting techniques.

Details for participation

Who can apply?

Both male and female candidates pursuing Post Doc., Ph.D. and Post-graduation (P.G.) in any branch of life sciences.

No. of seats: 40 (First come first served)

Mode of registration: Google form

Link - <https://forms.gle/eidbg925bLFRz2dK8>

Registration Fee: Rs. 3000 (Ph.D.) and

Rs. 2500 (M.Sc)

Last date of registration: 15 Jan. 2024

Accommodation

Accommodation to participants will not be provided by organizers. However, assistance regarding booking accommodation at nearby places will be given on demand.

Bank details

To be provided later

Subject: Regarding submission of a proposal and request of grant for National workshop on "Cell and Molecular Biology Techniques (CMBT-2024)"

Dear Sir,

This is to inform you that Botany section, MMV wishes to propose a five days training program on Cell and Molecular Biology Techniques (CMBT-2024) to be conducted from Jan. 30 – Feb. 03, 2024. The detailed proposal of this training program is attached herewith for your kind perusal. We request you for sanction of appropriate grant for the same.

Thanking you

Regards
