

About the University

Banaras Hindu University is a tribute to the vast vision, indomitable spirit and unflagging zeal of our founding father Mahamana Pt. Madan Mohan Malviya Ji. It is a monument to his self service in cause of Indian Education. Located on bank of river Ganga, Banaras Hindu University is the oldest residential University in the country, was established in 1916 by the visionary educationist Mahamana Madan Mohan Malviya Ji. The picturesque 1400 acre campus houses seven institute (AIIMS ,IIT,Agriculture Sciences, Environmental Science, Science and Management Studies), 16 Faculties, 5 Colleges, 123 Department and 4 interdisciplinary schools. The rapidly growing 2760 acre south campus of the University is located at Barkachha in Vindhya Plateau about 70km from Varanasi. University has celebrated the 100 years of its establishment i.e. Centennial Year in session 2016-17. University contributed a lot to the country as well the world in these years and set ideal/standard norms for other higher education institutions.

National Workshop on SCIENCE of FOOTWEAR (SOFT- 2020)

1st – 2nd February 2020

Venue

Seminar Hall

Department of Physical Education

Organized by

Department of Physical Education
Faculty of Arts, BHU, Varanasi, UP

About Workshop

Footwear is meant to enhance safety, improve performance, and reduce stress on the human body. However, not all footwear can make a positive impact on a person, and some could be detrimental, if not carefully selected. The various effects of footwear will be highlighted in this workshop. This workshop will undoubtedly be useful to academicians, practitioners, designers, researchers, and all others working in the area of footwear who strive to incorporate the biomechanical and ergonomics principles into footwear to enhance performance, safety, and comfort and to reduce injury. Details of the workshop schedule is available on www.bhu.ac.in/physicaledu/ and also on http://www.bhu.ac.in/academic_event/

Objective of the Workshop

- 1) To understand foot mechanics and footwear sciences
- 2) To inculcate scientific skills of foot and footwear analysis
- 3) To empower coaches, trainers, physiotherapists, sports persons, and physical educators to select a diagnostic footwear according to specific demands of sports training and performances
