ADVERTISEMENT FOR THE POST OF JRF

Advertisement for BHU Website

Applications are invited for one post of Junior Research fellow (JRF) in a Science and Engineering Research Board (SERB), Department of Science and Technology (DST), sponsored research project entitled “Assessing the impact of salinity on phosphate solubilizing microbes for sustainable mitigation of phosphorus deficiency in saline soils” (Project No. P-07/716). The sanctioned duration of the project is three years. The post is temporary and is co-terminus with the project.

Essential Qualifications: The candidate should have M.Sc. degree in Environmental Science/Botany/Biotechnology/Microbiology, with at least 55% marks. Candidates with NET/GATE or equivalent or with one year research experience will be given preference. The upper age limit is 28 years, which is relaxable up to 5 years for SC/ST/Physically Handicapped/Female candidates. All things being equal, SC/ST candidates will be preferred as per GOI rules. The fellowship for JRF is 31,000/- pm + HRA (as per rules).

Application on Plain paper with complete biodata along with qualifications and research experience supported by attested documents, a coloured passport size photograph, contact no. & e-mail ID etc., should reach to Dr. Vishal Prasad, Principal Investigator (Project No. P-07/716), Institute of Environment & Sustainable Development, Banaras Hindu University, Varanasi – 221005 within 21 days of this advertisement, along with a soft copy to: ways2good@gmail.com.

Candidate selected for interview will be informed through email/phone calls only.

No TA/DA will be paid, if called for interview.
